References herein to “we”, “our”, “Alvopetro”, the “Company” or the “Corporation” refer to Alvopetro Energy Ltd.

This solicitation is made on behalf of our management. We will bear the mailing costs incurred in connection with such solicitation. In addition to mailing forms of proxy, proxies may be solicited by personal interviews, or by other means of communication, by our directors, officers and employees who will not be remunerated therefor.

Record Date

Only registered Shareholders of record at the close of business on April 21, 2015 (the “Record Date”) will be entitled to vote at the Meeting, unless that Shareholder has transferred any Shares subsequent to that date and the transferee Shareholder, not later than ten (10) days before the Meeting, establishes ownership of the Shares and demands that the transferee’s name be included on the list of Shareholders entitled to vote at the Meeting.

Registered Shareholder Voting

You are a “Registered Shareholder” if your Shares are held and registered in your name and you have a share certificate or your shares are held in electronic registered form in your name through our transfer agent. A description of the ways that a Registered Shareholder can vote at the Meeting is provided below.

Voting Options for Registered Shareholders

- In person at the meeting (see below);
- By proxy instruction (see below and enclosed proxy); or
- By internet (see enclosed proxy).

Voting in Person

Registered Shareholders may attend the Meeting and vote their Shares in person. If you plan to attend the Meeting and wish to vote your Shares in person, do not complete or return the enclosed proxy. Your vote will be taken and counted at the Meeting. Please register with our transfer agent, Equity, when you arrive at the Meeting.

Voting by Proxy

Whether or not you attend the Meeting, you can appoint someone else to attend and vote as your proxyholder. You can use the enclosed proxy or any other proper form of proxy to do this.

The persons named in the enclosed form of proxy are officers of the Corporation. As a Registered Shareholder you have the right to appoint another person, who need not be a Shareholder, to represent you at the Meeting. To exercise this right you should insert the name of the desired representative in the blank space provided on the form of proxy and strike out the other names or submit another appropriate proxy.

Forms of proxy must be addressed to and reach TMX Equity Transfer Services, 200 University Avenue, Suite 300, Toronto, Ontario, M5H 4H1, not later than 9:00 a.m. (Calgary time) on Friday May 22, 2015 or, if applicable, forty-eight (48) hours before any adjournment of the Meeting (excluding Saturdays, Sundays, and holidays). An instrument appointing a proxy must be in

writing and must be executed by you or your attorney authorized in writing or, if you are a corporation, under your corporate seal or by a duly authorized officer or attorney of the corporation.

You may revoke your proxy at any time prior to the Meeting. If you or the person you give your proxy to personally attends the Meeting, you or such person may revoke the proxy and vote in person. In addition to revocation in any other manner permitted by law, a proxy may be revoked by an instrument in writing executed by you or your attorney authorized in writing or, if you are a corporation, under your corporate seal or by a duly authorized officer or attorney of the corporation. To be effective the instrument in writing must be deposited either at our head office at any time up to and including the last business day before the day of the Meeting, or any adjournment thereof, at which the proxy is to be used, or with the chairman of the Meeting on the day of the Meeting, or any adjournment thereof.

Beneficial Shareholder Voting

You are a “Beneficial Shareholder” if your Shares are held in the name of a nominee, that is, your Shares are represented by an account statement by your bank, trust company, securities broker, trustee or other nominee, while the original certificate is lodged with CDS & Co., the nominee of CDS Clearing and Depository Services Inc.

Only proxies deposited by Shareholders whose names appear on our records as the registered holders of Shares can be recognized and acted upon at the Meeting. If you are a Beneficial Shareholder, Shares held by your broker or other nominee must be voted by them and can only be voted upon your instructions. Without specific instructions, your broker or nominee is prohibited from voting your Shares.

Applicable regulatory policy requires brokers and other nominees to seek voting instructions from beneficial owners in advance of shareholders’ meetings. If you are a Beneficial Shareholder, your broker or other nominee will have included a voting instruction form with this Information Circular or other instructions or procedures detailing how to ensure your Shares are voted at the Meeting (“Voting Instruction Form”). A Beneficial Shareholder receiving a Voting Instruction Form cannot use it to vote Shares directly at the Meeting and instead must return it to the broker or nominee well in advance of the Meeting in order to have the Shares voted. **All Voting Instruction Forms are not the same and you should carefully follow the instructions in the Voting Instruction Form and comply with the deadlines set out in it if you want your Shares voted at the Meeting.**

Exercise of Discretion by Proxy

The Shares represented by proxy in favour of management nominees will be voted on any matter voted on at the Meeting. Where you specify a choice with respect to any matter to be acted upon, the Shares will be voted on any matter in accordance with the specification so made. If you do not provide instructions your Shares will be voted in favour of the matters to be acted upon as set out herein. The persons appointed under the form of proxy which we have furnished are conferred with discretionary authority with respect to amendments or variations of those matters specified in the form of proxy and notice of Meeting and with respect to any other matters which may properly be brought before the Meeting or any adjournment thereof. At the time of printing this Information Circular, we know of no such amendment, variation or other matter.

BUSINESS OF THE MEETING

Election of Directors

The Articles of the Company require the Company have not less than one (1) and not more than fifteen (15) directors, with the actual number of directors holding office from time to time to be determined by the board of directors of the Company (the "Board"). The Board has resolved that the number of directors be set at six (6). Accordingly, it is proposed that six directors be elected at the Meeting to serve until the next annual meeting or until their successors are duly elected or appointed.

The persons named below are nominees of management for election as directors of the Company. Additional information with respect to each of the six (6) proposed nominees for election as director can be found under the heading "*Nominees for Election to the Board of Directors*", which sets forth each proposed director's place of residence; position held; present principal occupation; and prior occupations within the last five (5) years.

Management does not contemplate that any of the nominees will be unable to serve as a director. However, if that does occur for any reason prior to the Meeting, the persons designated in the enclosed form of proxy reserve the right to vote for other nominees in their discretion.

Voting for the election of directors will be conducted on an individual, and not slate, basis. Our Board has also adopted a majority voting policy, which provides that, unless there is a contested election, a director who receives more "withhold" votes than "for" votes must tender his or her resignation as a director promptly after the meeting. The nominating committee of the Board will then consider such resignation and make a recommendation to the Board whether or not it should be accepted. The decision of the Board will be made within 90 days of the Meeting and announced in a press release. The director who tendered such resignation will not be part of any deliberations of the Board or any committee thereof pertaining to the resignation. For more information see "*Governance - Majority Voting Policy*".

Unless otherwise directed, the persons designated in the enclosed proxy form intend to vote FOR the election of the following nominees for director at the Meeting.

Corey C. Ruttan
Firoz Talakshi
Geir Ytreland
John D. Wright
Kenneth R. McKinnon
Roderick L. Fraser

Appointment of Auditors

Management is soliciting proxies, in the accompanying form of proxy, in favour of the appointment of the firm of Deloitte LLP, Chartered Accountants, as our auditors, to hold office until the next annual meeting of the shareholders and to authorize the directors to fix their remuneration for the ensuing year. Deloitte LLP was first appointed by Alvopetro Energy Ltd. on September 25, 2013.

The audit fees paid to Deloitte LLP for the year ended December 31, 2014, are set forth on page 35 of our Annual Information Form dated April 20, 2015 for the year ended December 31, 2014, which can be found on our website at www.alvopetro.com or on SEDAR at www.sedar.com.

Unless otherwise directed, the persons designated in the enclosed form of proxy intend to vote at the Meeting FOR the reappointment of Deloitte LLP as the Company's auditors and authorizing the Board to fix the auditors' remuneration.

Re-Approval of Stock Option Plan

The policies of the TSX Venture Exchange (the "TSXV") require all stock option grants to be made pursuant to a stock option plan approved by the Shareholders. At the present time, Alvopetro has a "rolling" stock option plan (the "Option Plan") pursuant to which directors, officers, employees and consultants of the Corporation may be awarded options to purchase Shares (the "Options"). Pursuant to the policies of the TSXV, such "rolling" plans must receive shareholder approval annually. Accordingly, Shareholders are being asked to approve the current Option Plan in accordance with Policy 4.4 of the TSXV. The terms of the Option Plan are more fully described in this Circular under the heading "*Option Plan*".

The text of the ordinary resolution to be considered at the Meeting re-approving the Option Plan is set forth below:

BE IT RESOLVED as an ordinary resolution of the shareholders of the Corporation as follows:

1. the Corporation's Stock Option Plan (the "Option Plan") is hereby approved, confirmed and ratified;
2. the Board of Directors from time to time is authorized to grant options in the capital stock of the Corporation pursuant to and in accordance with the Option Plan and the Corporation is authorized to reserve and issue Shares in the capital of the Corporation for issuance upon exercise of stock options granted pursuant to the Option Plan; and
3. any director or officer of the Corporation be and is hereby authorized to do such things and to sign, execute and deliver all documents that such director or officer may, in their discretion, determine to be necessary in order to give full effect to the intent and purpose of this resolution.

In order for the foregoing resolution to be passed, it must be approved by a majority of the votes cast by Shareholders who vote in person or by proxy at the Meeting. **It is the intention of the management designees, if named as proxy, to vote in favour of the resolution re-approving the Option Plan.**

Approval of Incentive Share Plan

The purpose of the Incentive Share Plan is to provide directors, officers and employees of, and consultants to, Alvopetro with incentive compensation in the form of Shares of Alvopetro issuable after defined vesting periods. This will provide an increased incentive for the participants to contribute to the future success of Alvopetro, enhancing the value of the Shares for the benefit of all shareholders and increasing the ability of Alvopetro to attract and retain individuals of exceptional skill.

Limitations under the Incentive Share Plan

The Incentive Share Plan provides that the maximum number of shares reserved for issuance under the Incentive Share Plan shall not exceed 1,700,000 Shares, representing 1.99% of the Shares currently issued and outstanding. In addition, the maximum number of Shares reserved for issuance pursuant to both Incentives issuable under the Incentive Share Plan and options issued under the Option Plan at any time shall not exceed 10% of the issued and outstanding Shares of Alvopetro at such time. Incentives under the Incentive Share Plan consist of Restricted Share Units (RSU's), Deferred Share Units (DSU's), and Performance Share Units (PSU's), all as more particularly described herein.

In addition, i) the aggregate number of Shares reserved for issuance pursuant to Incentives granted to any one person, when combined with any other share compensation arrangement, may not exceed 5% of the outstanding Shares (on a non-diluted basis); ii) the aggregate number of Shares reserved for issuance pursuant to Incentives granted to Insiders, when combined with

any other share compensation arrangement, may not exceed 10% of the outstanding Shares (on a non-diluted basis); iii) the aggregate number of Shares issued within any one year period to Insiders pursuant to Incentives, when combined with any other share compensation arrangement, may not exceed 10% of the outstanding Shares (on a non-diluted basis); iv) the number of Incentives issuable under the Plan within any one year period to any one individual may not exceed 1% of the outstanding Shares (on a non-diluted basis); and v) the number of Incentives issuable under the Plan within any one year period to Insiders, may not exceed 2% of the outstanding Shares (on a non-diluted basis).

Description of RSUs, PSUs and DSUs issuable under the Incentive Share Plan

RSU's are expected to typically vest as to one third on each of the first, second and third anniversaries of the date of grant. Upon vesting and exercise, each RSU can be redeemed by the holder, without the payment of any additional consideration, in exchange for: (i) one Share; or ii) at the sole election of the Corporation, a cash payment equal to the five (5) day volume weighted average trading price of the Shares on the TSXV prior to the date of exercise.

PSU's are expected to typically cliff vest after three years with a payout percentage means a percentage between 0% and 250% calculated at the time of the vesting of a PSU based on performance criteria established by the Board in its discretion at the time of the grant. Upon vesting and exercise, each PSU can be redeemed by the holder, without the payment of any additional consideration, in exchange for: (i) a number of Shares equal to each Share multiplied by the payout percentage; or ii) at the sole election of the Corporation, a cash payment equal to the five (5) day volume weighted average trading price of the Shares, multiplied by the applicable payout percentage, on the TSXV prior to the date of exercise.

DSU's are the only type of incentive issuable under the Incentive Share Plan that may be issued to non-employee directors of Alvo Petro. DSUs granted are expected typically vest on the third anniversary of the grant date or on the date that the non-employee director ceases to be a director of Alvo Petro for any reason, including change of control, resignation, retirement, death or failure to obtain re-election as a director under the Incentive Share Plan. Upon vesting and exercise, each DSU can be redeemed by the holder, without the payment of any additional consideration, in exchange for: (i) one Share; or ii) at the sole election of the Corporation, a cash payment equal to the five (5) day volume weighted average trading price of the Shares on the TSXV prior to the date of exercise.

Cash Settlement

Alvo Petro has the discretion to satisfy its obligation to issue a Share upon the vesting and redemption of Incentives by paying the cash value of such Share based on the five day volume weighted average trading price of the Shares on the TSXV prior to date of exercise. To the extent that Alvo Petro does satisfy its obligation to issue a Share upon the vesting and redemption of a DSU, RSU or PSU by paying cash instead, there will be no reduction in the number of Shares remaining available for issuance pursuant to the Incentive Share Plan.

Acceleration of Vesting and Change of Control Provisions

The Board may, in its sole discretion at any time, accelerate vesting of Incentives previously granted. In the event a change of control of Alvo Petro, as defined in the Incentive Share Plan, is contemplated or has occurred, all Incentives which have not otherwise vested in accordance with their terms shall vest upon the occurrence of the change of control or such earlier or later time as is determined by the Board.

Termination and Assignment

In the event of the resignation, retirement or death of a Participant, or the termination of the employment of a Participant, whether with or without cause or reasonable notice, all unvested RSUs and PSUs held by the Participant shall immediately cease and terminate and thereafter shall be of no further force or effect whatsoever. Incentives granted to Participants are non-assignable.

The approval of the Incentive Share Plan must be approved by a simple majority of the votes cast by Shareholders voting in person or by proxy at the Meeting. At the Meeting, Shareholders will be asked to consider and, if deemed advisable, to approve the following ordinary resolution to approve the adoption of the Incentive Share Plan. **It is the intention of the management**

designees, if named as proxy, to vote in favour of the resolution for the approval of the Incentive Share Plan.

BE IT RESOLVED as an ordinary resolution of the shareholders of the Corporation as follows:

1. the Incentive Share Plan be and the same is hereby approved and authorized; and
2. the Board of Directors from time to time is authorized to grant Incentives pursuant to and in accordance with the Incentive Share Plan and the Corporation is authorized to reserve and issue Shares in the capital of the Corporation for issuance upon exercise of Incentives granted pursuant to the Incentive Share Plan; and
3. any director or officer of the Corporation be and is hereby authorized to do such things and to sign, execute and deliver all documents that such director or officer may, in their discretion, determine to be necessary in order to give full effect to the intent and purpose of this resolution.

Compensation Committee and Compensation Governance

The members of the Compensation Committee of the Board are Kenneth R. McKinnon (Chairman), John D. Wright and Roderick L. Fraser. As required by the mandate of the Compensation Committee, all of the members of the Compensation Committee are independent directors of Alvopetro. The Compensation Committee has the ability to retain the services of independent compensation consultants to provide information and recommendations on market conditions and appropriate compensation practices.

The Compensation Committee is charged with the establishment, administration and periodic review of our compensation program. The Board believes the Compensation Committee collectively has the knowledge, experience and background required to fulfill its mandate. All of the members of the Compensation Committee possess human resources literacy, meaning an understanding of compensation theory and practice, personnel management and development, succession planning and executive development. Such knowledge and capability includes both current and prior experience working in senior roles at

other organizations, which provided financial and human resources experience and involvement on board compensation committees of other entities.

The Compensation Committee of the Board of Directors met once in 2014 and once in 2015.

Executive Compensation

The Named Executive compensation program is administered by the Compensation Committee. The President and Chief Executive Officer of Alvo Petro typically attends meetings of the Compensation Committee, but does not have the right to vote on any matter before the Compensation Committee. All Compensation Committee meetings have an *'in camera'* session where the President and Chief Executive Officer and any other members of management in attendance at the Compensation Committee meeting are excused for the duration of the *in camera* session.

The Compensation Committee establishes and approves base salaries, cash bonuses, share based compensation and benefits for the Named Executives. Each component of compensation is determined on an individual basis for each Named Executive. The Compensation Committee utilizes compensation program based on an assessment of the overall performance of Alvo Petro, relative performance of Alvo Petro compared to its peers and the achievements and overall contribution of each individual Named Executive.

The Compensation Committee retains and does not delegate any of its power to determine matters of executive compensation and benefits, although the Compensation Committee will consider compensation and benefit proposals made to the Compensation Committee by the President and Chief Executive Officer. The Compensation Committee reports to the Board on the major items covered at each Compensation Committee meeting.

In addition, the Compensation Committee may consider compensation surveys completed by independent third parties when making certain decisions with respect to Named Executive compensation. While the Compensation Committee may rely on external information and advice, all of the decisions with respect to Named Executive compensation will be made by the Compensation Committee and may reflect factors and considerations other than, or that may differ from, the information and recommendations provided by independent third party surveys and compensation consultants.

Risk Assessment and Oversight

The Compensation Committee is responsible for considering the implications of the risks associated with the Corporation's compensation policies and practices. The Compensation Committee's role of approving the compensation policies and practices includes considering whether the compensation policies and practices could encourage a Named Executive to: (i) take inappropriate or excessive risks; (ii) focus on achieving short term goals at the expense of long term return to Shareholders; or (iii) excessively focus on financial and operational goals at the expense of environmental responsibility and health and safety

2014 Compensation

Base salaries provide an immediate cash incentive for the Named Executives and are generally expected to be at levels competitive with peer companies that compete with the Corporation for business opportunities and executive talent. The Compensation Committee set 2014 base annual salaries for the Named Executives of \$250,000 for the President and Chief Executive Officer; \$230,000 for the Chief Operating Officer, \$190,000 for the Chief Financial Officer and \$190,000 for the Vice-President, Corporate and Legal.

The base salaries were reviewed in comparison to Mercer data for companies of similar market capitalization and the Peer Comparison Group (defined below), which was selected on the basis of operational stage and size, levels of production, revenue, personnel size, operating and capital budgets, market capitalization and jurisdiction of operations. For 2014, the Peer Comparison Group consisted of Platino Energy Corp., Suroco Energy Inc., Petrodorado Energy Ltd., PetroNova Inc., Touchstone Exploration Inc., Palliser Oil and Gas Corporation, and Petroamerica Oil Corp. Relative to the Mercer data and the Peer Comparison Group, the base salaries of the Named Executives of the Corporation are below average. The Named Executives recognize this is in light of the Company's recent inception, size of operations, stage of growth and the commitment of the Named Executives to Alvo Petro's growth and future success. Further, for 2015, the President and Chief Executive Officer and

Chief Operating Officer elected not to receive an increase to their base salaries. For 2015, the Chief Financial Officer and the Vice President Corporate and Legal each received a 2% increase to their respective base salaries.

No cash bonuses were paid to any of the Named Executives for the 2014 performance year. Acknowledging market conditions and commodity prices, Alvo Petro issued a grant of Options in February 2015 to reduce cash compensation in lieu of cash bonuses to the Named Executives for the 2014 performance year. The President and Chief Executive Officer and the Chief Operating Officer were each awarded 100,000 Options and the Chief Financial Officer and the Vice President Corporate and Legal were each awarded 87,000 Options.

The Corporation uses the Option Plan as a part of its long-term compensation strategy for the Named Executives. Options are intended to align executive and shareholder interests by creating a direct link between compensation and share performance. In 2014, the Corporation granted 300,000 Options to the President and Chief Executive Officer; 200,000 Options to the Chief Operating Officer, 150,000 Options to the Chief Financial Officer and 150,000 Options to the Vice-President, Corporate and Legal. These grants were approved by the Compensation Committee based on its subjective assessment of the appropriate base level of Option holdings by the Named Executives after considering the Corporation's development to-date and the current capital base of the Corporation.

The Compensation Committee believes that the perquisites for the Named Executives should be limited in scope and value and be commensurate with perquisites offered by the Corporation's peers. The Corporation provides each of our Named Executives a company paid parking stall or allowance with an estimated aggregate value for all Named Executives of \$27,333 in 2014. The Company shares the cost of an additional insurance program with the President and Chief Executive Officer for him, of which the cost to the Company is disclosed under the heading "Named Executive Compensation - Summary Executive Compensation Table" under the column titled "All Other Compensation".

Hedging Activities

The Corporation's Disclosure, Confidentiality and Trading Policy includes a provision that prohibits directors, officers and employees of the Corporation from purchasing or selling certain derivatives in respect of any security of the Corporation. This includes purchasing "puts" and selling "calls" on the Corporation's securities, as well as a prohibition on short selling the Corporation's securities. Aside from these prohibitions, the Corporation does not have a policy specifically pertaining to other financial instruments including prepaid variable forward contracts, equity swaps or units of exchange funds, which are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by a Named Executive or director. Any transactions of this nature are subject to insider reporting requirements and are reported on the System for Electronic Disclosure by Insiders (SEDI).

Incentive Plan Awards – Value Vested or Earned During the Year

None of the vested Options held by the Named Executives were in-the-money during the year ended December 31, 2014 and the Named Executives did not receive any non-equity incentive plan compensation.

Pension and Retirement Plans

The Corporation does not have any pension or retirement plan for employees or Named Executives.

Employment Agreements and Termination and Change of Control Benefits

Each of the Named Executives have employment agreements with the Corporation. If the Named Executive's employment agreement is terminated without cause, or the Named Executive is Constructively Dismissed (defined below), or upon a change of control provided there exists Good Reason (as defined below), then the Named Executive's is entitled to payment of an amount as set forth in the table below.

Named Executive	Payment upon Change of Control provided Constructive Dismissal Occurs
President and Chief Executive Officer	Equal to the cash equivalent of his base salary for twenty four (24) months, as well as the cash equivalent of the average of his prior two (2) years' annual bonus (both cash and share based incentive components) multiplied by two (2).
Chief Financial Officer	Equal to the cash equivalent of her base salary for twelve (12) months, as well as the cash equivalent of the average of her prior two (2) years' annual bonus (both cash and share based incentive components) multiplied by one and a half times (1.5).
Chief Operating Officer	Equal to the cash equivalent of his base salary for eighteen (18) months, as well as the cash equivalent of the average of his prior two (2) years' annual bonus (both cash and share based incentive components) multiplied by one and a half times (1.5).
Vice President, Corporate and Legal	Equal to the cash equivalent of her base salary for twelve (12) months, as well as the cash equivalent of the average of her prior two (2) years' annual bonus (both cash and share based incentive components) multiplied by one and a half times (1.5).

In the employment agreements, "Constructive Dismissal" means one or more of the following changes in the circumstances of the Named Executive's employment: (i) material reduction or diminution in the position, level of authority, responsibility, duties or reporting relationship of the Named Executive; (ii) a material reduction in the Named Executive's base salary; (iii) a material reduction in the value of the Named Executive's benefits plans, incentive plans or vacation; or (iv) the elimination by the Corporation of the Corporation's bonus or incentive plans without a materially similar replacement; or (v) a requirement to relocate to another city, province or country. "Good Reason" means one or more of the following changes in the Named Executive's employment following a Change of Control: (i) a Constructive Dismissal of the Named Executive; (ii) the assignment to the Named Executive of any duties materially inconsistent with his or her current duties and responsibilities as an Named Executive of the Company or a material alteration in the nature of his responsibilities or duties or reporting relationship from those in effect immediately prior to a Change in Control of the Corporation; (iii) a material change to the market capitalization of the Corporation following a Change of Control.

Estimated Payment Made to Named Executive Officers upon Termination of Employment Agreements

The following table provides a calculation of the payments that would have to be made to the Named Executives pursuant to their applicable employment agreement under the noted events with and without a deemed change of control. All payments are calculated assuming the date of the termination event was, and if applicable, a change of control occurred, on December 31, 2014. The disclosed values represent payments made pursuant to the terms of the employment agreements.

Name	WITHOUT A CHANGE OF CONTROL		WITH A CHANGE OF CONTROL

Notes:

1. The calculations in this table are based on the assumption that upon a change of control, Good Reason exists.

Employee Share Ownership Plan

The Corporation implemented an employee share ownership plan (the “ESOP”). The purpose of the ESOP is to make available to the employees of Alvo Petro a means to make regular purchases of Shares and to benefit from the appreciation thereof. This provides an increased incentive for employees to contribute to the future success and prosperity of Alvo Petro, thus enhancing the value of the Shares for the benefit of all the shareholders and increasing the ability of Alvo Petro to attract and retain employees. Participants in the ESOP may elect to contribute, by way of regular payroll deductions, up to 5% of their regular salary for investment under the ESOP. Alvo Petro matches the contributions of each participant and the combined funds are used by the trustee of the ESOP to make monthly purchases of Shares on behalf of the participants through the facilities of the TSXV. No Shares are issued by Alvo Petro pursuant to the ESOP.

Share Ownership Guidelines for Named Executives and Directors

Although the Directors and Named Executives of Alvo Petro are always encouraged to invest in the Corporation and have historically maintained high levels of equity ownership, in 2014, the Board approved formal share ownership guidelines (the “Ownership Guidelines”) for directors and Named Executives. The Board is of the view that directors and Named Executives can more effectively represent the interests of Shareholders if they have a significant investment in the Shares of Alvo Petro. The Ownership Guidelines require directors and Named Executives to achieve and maintain an ownership level in the Corporation that the Compensation Committee views as significant in relation to each Named Executive’s annual salary and each director’s board retainer, as set out below. For purposes of determining annual salary, the salary shall be the Named Executive’s current salary at the time of the calculation.

Office Held	Equity Ownership
President and Chief Executive Officer	5 times annual salary
Chief Financial Officer Chief Operating Officer Senior Vice President VP Legal and Corporate	2 times annual salary
Vice President All Other Executive Officers	1 times annual salary
Director	Each director agrees to accumulate Equity in Alvo Petro having a value at least equal to CAD\$100,000

For purposes of calculating the value of Equity held by an Named Executive or a director, it shall be calculated by the addition of: a) the number of Shares of the Corporation held by the Named Executive or director multiplied by the original cost of the Shares purchased by the Named Executive or director; plus b) the aggregate in-the-money value of vested stock options held by the

Named Executive or director, with the in-the-money value calculated by the weighted average trading price of the Corporation's Shares on the TSXV for the five trading days immediately prior to the date of calculation, less the exercise price of the relevant vested stock option held by the Named Executive or director. Each director or Named Executives is required to comply with the Ownership Guidelines on the date that is four (4) years from their date of appointment as a director or Named Executive.

COMPENSATION OF DIRECTORS

General

The Compensation Committee is responsible to recommend for consideration and approval by the Board as a whole the compensation program for our Directors. The main objectives of our compensation program for our Directors is to attract and retain the services of the most qualified Directors, compensate our Directors in a manner that is commensurate with the risks and responsibilities assumed in Board membership and is competitive with our peers and align the interests of our Directors with Shareholders. Corey C. Ruttan, the President and Chief Executive Officer of Alvopetro, is also a director. Mr. Ruttan does not receive any compensation specifically in relation to his duties as a director and references to the directors under this heading do not include him.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The following table sets forth information with respect to the Option Plan, which is the only compensation plan of the Corporation under which equity securities are authorized for issuance as at December 31, 2014.

STOCK OPTION PLAN

General

The purpose of the Option Plan is to provide the directors, officers, employees and consultants of Alvopetro (the "Participants") with an opportunity to purchase Shares and to benefit from the appreciation thereof. This will provide an increased incentive for the Participants to contribute to the future success and prosperity of Alvopetro, thus enhancing the value of the Shares for the benefit of all the shareholders and increasing the ability of Alvopetro to attract and retain individuals of exceptional skill.

The Option Plan is administered by the Board, but the Board may delegate administration to a committee of the Board consisting of not less than three directors. The Board may, from time to time, adopt such rules and regulations for administering the Option Plan as it may deem proper and in the best interests of Alvopetro.

Option Grants and Exercise Price

Under the Option Plan, the Board may, from time to time, grant options ("Options") to such Participants as it chooses and, subject to the restrictions described below, in such numbers as it chooses.

The exercise price of each Option is fixed by the Board when the Option is granted, provided that such price shall not be less than the volume weighted average trading price per share for the Shares on the TSXV (or, if the Shares are not then listed and posted for trading on TSXV, on such stock exchange in Canada on which such shares are listed and posted for trading as may be selected for such purpose by the Board) for the five consecutive trading days ending on the last trading day preceding the date that the Option is granted.

Options granted to Participants are non-assignable.

Limits on Option Grants

The aggregate number of Shares that may be reserved for issuance at any time under the Option Plan, together with any Shares reserved for issuance under any other share compensation arrangement implemented by Alvopetro after the date of the adoption of the Option Plan, shall be equal to 10% of outstanding Shares (on a non-diluted basis) outstanding at that time. In addition, any grant of Options under the Option Plan shall be subject to the following restrictions:

- (a) the aggregate number of Shares reserved for issuance pursuant to Options granted to any one person, when combined with any other share compensation arrangement, may not exceed 5% of the outstanding Shares (on a non-diluted basis);
- (b) the aggregate number of Shares reserved for issuance pursuant to Options granted to Insiders (as defined in exchange polices) pursuant to the Option Plan, when combined with any other share compensation arrangement, may not exceed 10% of the outstanding Shares (on a non-diluted basis);
- (c) the aggregate number of Shares issued within any one year period to Insiders pursuant to Options, when combined with any other share compensation arrangement, may not exceed 10% of the outstanding Shares (on a non-diluted basis);
- (d) the aggregate number of Shares reserved for issuance pursuant to Options granted to any one person who is a Consultant (as defined in exchange polices) in any twelve (12) month period, may not exceed 2% of the issued and outstanding Shares (on a non-diluted basis); and
- (e) the aggregate number of Shares reserved for issuance pursuant to Options granted to individuals conducting Investor Relations Activities (as defined in exchange polices) in any twelve (12) month period, may not exceed 2% of the issued and outstanding Shares (on a non-diluted basis).

Expiry

The expiry date of Options granted pursuant to the Option Plan is set by the Board, but must not be later than ten years from the date of grant. Typically, Options granted expire after five years. In the event that any Option expires during, or within two business days after, a self-imposed blackout period on trading securities of Alvo Petro, such expiry date will be deemed to be extended to the tenth day following the end of the blackout period.

In the event of the Participant ceasing to be a director, officer, employee or consultant of Alvo Petro for any reason other than death (including the resignation or retirement of the Participant as a director, officer or employee of Alvo Petro or the termination by Alvo Petro of the employment of the Participant or the termination by Alvo Petro or the Participant of the consulting arrangement with the Participant), all unvested Options held by such Participant shall immediately cease and terminate and be of no further force or effect and all vested Options held by such Participant shall cease and terminate and be of no further force or effect on the earlier of the expiry time of the Option and the thirtieth day following: (i) the effective date of such resignation or retirement; (ii) the date the notice of termination of employment is given by Alvo Petro; or (iii) the date the notice of termination of the consulting agreement is given by Alvo Petro to the Participant, as the case may be. Notwithstanding the foregoing, in the event of termination for cause, such Option shall cease and terminate immediately upon the date notice of termination of employment for cause is given by Alvo Petro and shall be of no further force or effect whatsoever as to the Shares in respect of which an Option has not previously been exercised.

If a Participant dies, the legal representatives of the Participant may exercise the vested Options held by the Participant within a period after the date of the Participant's death as determined by the Board, provided that such period shall not extend beyond 6 months following the death of the Participant or exceed the expiry date of such Option.

Vesting

The vesting period or periods of Options granted under the Option Plan is determined by the Board at the time of grant. The Board may, in its sole discretion at any time, accelerate vesting of Options previously granted. In the event a change of control of Alvo Petro, as defined in the Option Plan, is contemplated or has occurred, all Options which have not otherwise vested in accordance with their terms shall vest and be exercisable at such time as is determined by the Board.

Exercise

Participants may exercise vested Options by providing a notice in writing signed by the Participant to Alvo Petro together with payment in full of the exercise price for the Shares which are the subject of the exercise. Alvo Petro will not provide Participants with financial assistance for the exercise of Options.

Amendments to the Option Plan

The Board may amend the Option Plan and any Options granted thereunder in any manner, or discontinue it at any time, without the approval of the holders of a majority of the Shares, provided that:

- (a) the consent of the applicable Participants must be obtained for any amendment that would adversely affect any outstanding Options;
- (b) the approval of the holders of a majority of the Shares present and voting in person or by proxy at a meeting of Shareholders (including approval of the disinterested holders of Shares if required by exchange policies) must be obtained for any amendment that would have the effect of:
 - i) increasing the maximum percentage of Shares that may be reserved for issuance under the Option Plan;
 - ii) increasing the maximum percentage of Shares that may be reserved for issuance under the Option Plan to Insiders or any one person;

- iii) increasing the maximum percentage of Shares that may be issued under the Option Plan within any one year period to Insiders, Consultants or individuals conducting Investor Relations Activities;
- iv) changing the amendment provisions of the Option Plan;
- v) changing the terms of any Options held by Insiders;
- vi) reducing the exercise price of any outstanding Options held by Insiders (including the reissue of an Option within 90 days of cancellation which constitutes a reduction in the exercise price);
- vii) amending the definition of Participants to expand the categories of individuals eligible for participation in the Option Plan;
- viii) extending the expiry date of an outstanding Option or amending the Option Plan to allow for the grant of an Option with an expiry date of more than ten years from the grant date; or
- ix) amending the Option Plan to permit the transferability of Options, except to permit a transfer to a family member, an entity controlled by the Participant or a family member, a charity or for estate planning or estate settlement purposes.

Adjustments

The Option Plan provides that appropriate adjustments in the number of Shares subject to the Option Plan, the number of Shares optioned and the exercise price shall be made by the Board to give effect to adjustments in the number of Shares resulting from subdivisions, consolidations or reclassifications of the Shares, the payment of stock dividends by Alvo Petro (other than dividends in the ordinary course) or other relevant changes in the authorized or issued capital of Alvo Petro.

If a Participant elects to exercise an Option following the merger or consolidation of Alvo Petro with any other corporation, whether by amalgamation, plan of arrangement or otherwise, the Participant shall be entitled to receive, and shall accept, in lieu of the number of Shares to which the Participant was theretofore entitled upon such exercise, either, at the discretion of the Board the kind and amount of shares and other securities or property which such Participant could have been entitled to receive as a result of such merger or consolidation if, on the effective date thereof, the Participant had been the registered holder of the number of Shares to which the Participant was theretofore entitled to purchase upon exercise.

GOVERNANCE

General

While the Board has delegated the responsibility for day-to-day management of the Corporation to management, the Board has implicitly and explicitly acknowledged its responsibility for the stewardship of the Corporation, including the responsibility for:

- (a) approving and monitoring the Corporation's strategic planning through a regular reporting and review process;
- (b) the identification of the principal risks of the Corporation's business and ensuring the implementation of appropriate systems to manage these risks;
- (c) the appointment of the senior executive officers and succession planning; and
- (d) ensuring timely and accurate communications to shareholders of financial and other matters in accordance with applicable laws.

At the Corporation's expense, individual directors may engage outside advisors on any matter, when it considers it necessary or desirable. The Board or any committee of the Board has the sole authority to retain and terminate any such advisors, including sole authority to review an advisor's fees and other retention terms.

Majority Voting Policy

Shareholders should note that the form of proxy or voting instruction form allows for voting for individual directors rather than for directors as a slate. In addition, the Board adopted a Majority Voting Policy effective April 22, 2014, pursuant to which, in an uncontested election of directors, a director who receives more “withhold” votes than “for” votes at the annual meeting of Shareholders will tender his or her resignation to the Chair of the Board, to be effective upon acceptance by the Board. The Board will expeditiously consider the director’s offer to resign and determine whether or not to accept the offer. The Board will make its decision and announce it in a news release within 90 days following the annual meeting, including the reasons for its decision. A director who tenders a resignation pursuant to this policy will not participate in any meeting of the Board at which the resignation is considered. We expect that any such resignation will be accepted by the Board unless special circumstances exist that warrant the resigning director continuing to serve on the Board. For this reason, unless such special circumstances exist, a withhold vote in respect of a director is equivalent to voting against the election of such director.

Mandate of the Board

The Board and each of its Committees have written mandates. Refer to Schedule “A” of this Information Circular for the full text of the mandate of the Board. The Board has the responsibility to oversee the conduct of the business of the Corporation and has delegated the responsibility for the day-to-day conduct of the business to the President and Chief Executive Officer and other members of management, subject to compliance with plans and objectives that may be approved from time to time by the Board.

Composition of the Board

The Board is currently comprised of six members, a majority (five) of whom are considered independent. Messrs. Fraser, Ytreland, McKinnon, Wright (Chairman of the Board) and Talakshi are independent directors.

Mr. Ruttan is not considered an independent director as he would be considered to have a “material relationship”, as defined in National Instrument 52-110 - *Audit Committees* (“NI 52-110”), with the Corporation as Mr. Ruttan is the current President and Chief Executive Officer of Alvopetro.

Board Meetings

The Board is scheduled to meet at least quarterly, with additional meetings held as appropriate or required. The Board will also meet as necessary to consider specific developments or opportunities as they arise. Where appropriate, key management personnel and professional advisors are invited to attend meetings to speak to these issues.

While the Board does not hold regularly scheduled meetings comprised solely of independent directors, a portion of each Board meeting consists of an *in camera* session of the independent directors, where members of management of the Corporation are not in attendance.

In addition, the Board holds a one day dedicated Board Strategy Session each year to ensure alignment and to facilitate clear communication between the Board and senior management with respect to our corporate strategy. Discussions also occur at our regularly scheduled Board meetings throughout the year to update the corporate strategy and to address and prioritize developments, opportunities, and issues that arise during the year.

In 2014, the Board held five (5) meetings, at which all directors were present. In 2014, the Audit Committee of the Board of Directors held four (4) meetings, at which all committee members were present. In 2014, the Reserves Committee and the Compensation Committee of the Board each held one (1) meeting, at which all committee members were present.

The primary function of the Audit Committee is to assist the Board in fulfilling its responsibilities by reviewing: the financial reports and other financial information provided by Alvopetro to any regulatory body or the public; the Corporation's systems of internal controls regarding preparation of those financial statements and related disclosures that management and the Board have established; and the Corporation's auditing, accounting and financial reporting processes generally.

The purpose of the Compensation Committee is to assist the Board in fulfilling its responsibility by reviewing, evaluating and determining matters relating to compensation of the directors, officers and employees of the Corporation.

The primary function of the Reserves Committee is to assist the Board in the selection, engagement and instruction of an independent reserves evaluator for the Corporation, ensuring there is a process in place to provide all relevant reserves data to the independent reserves evaluator and monitoring and reviewing the preparation of the independent reserves evaluation of the Corporation.

Position Descriptions

The Board has adopted formal written position descriptions for each of the President and Chief Executive Officer and the Chairman of the Board, which sets out the duties and responsibilities of such positions. The Chair of each Committee of the Board is charged with leading and assessing each committee to ensure it fulfills its mandate.

Orientation and Continuing Education

The Board provides an informal orientation program for all new directors. New members of the Board are provided with background information about the Corporation's business, current issues and corporate strategy. New members of the Board also receive a copy of the Corporation's Vision and Values statement, the Disclosure, Trading and Confidentiality Policy, and all policies of the Corporation. In addition, all directors, both current and new, are encouraged to attend, at the expense of the Corporation, applicable educational programs so as to ensure that they are familiar with aspects of the Corporation's operations and assets. Educational programs are also provided for directors on an 'as requested' basis. As well, any Board member has unrestricted direct access to any member of senior management and their staff at any time.

The Board believes that these procedures are practical and effective in light of the Corporation's particular circumstances, including the size of the Board, the size of the Corporation, the nature and scope of the Corporation's business and operations and the experience and expertise of Board members.

Code of Ethics and Policies

The Corporation has in place a written Vision and Values statement, which outlines the Corporation's commitment to safety, shareholder value, its employees, the environment and integrity. Management of the Corporation and the Board are of the view that the Vision and Values statement encourages and promotes a culture of ethical business conduct within the Corporation. A copy of the Vision and Values statement can be obtained free of charge by writing to the Chief Financial Officer of the Corporation.

The Board has adopted an extensive Disclosure, Confidentiality and Trading Policy to which all its directors, officers, employees and consultants are subject. This policy encourages ethical conduct in that it reflects the importance of confidentiality in respect of the Corporation's activities and restricts trading in the securities of the Corporation at times when individuals may be in possession of material non-public information. In addition, Disclosure Policy covers the timely reporting of material information in accordance with applicable laws and rules. Our Disclosure Policy is administered by senior officers who are responsible for reviewing material public disclosures.

Alvopetro has a Whistleblower Policy to permit employees to anonymously report concerns regarding compliance with corporate policies and applicable laws, as well as any concerns regarding auditing, internal control and accounting matters. These procedures are designed to ensure that employees' reports are treated as confidential.

In addition, the Corporation has a formal anti-corruption training program and requires all employees and directors to complete an annual certification each year with respect to anti-corruption policies and all of the policies of the Corporation. Compliance with the Corporation's various policies is monitored by management of the Corporation, with reports to the Board, if necessary.

Management prepares informational memos that are distributed to all staff members on topics that are relevant to Alvopetro and the applicable legislation under which we operate. In light of the foregoing, the Corporation has not adopted a formal written code of ethics, however may do so in future.

Board members must disclose any potential conflicts of interest in respect of matters addressed at Board meetings. Each member of the Board must disclose all actual or potential conflicts of interest and refrain from voting on matters in which such Director has a conflict of interest.

Nomination of Board Members

The Board retains overall responsibility to identify and recommend suitable candidates for nomination for election as directors of the Corporation and consider the competencies and skills the Board, as a whole, should possess.

Board Assessments

The Board annually reviews the effectiveness of the Board, its committees, and the contributions of individual Board members. These annual formal assessments are conducted through a written evaluation of the Board completed by each Board member and an individual written self-assessment completed by each Board member. The objective of the assessments are to ensure the continued effectiveness of the Board in the execution of its responsibilities and to contribute to a process of continuing improvement. The assessments consider, in the case of the Board or a committee, the applicable mandate, and the competencies and skills each individual Director is expected to bring to the Board and the Committees on which they are members of. The Corporation does not have a formal retirement policy for directors.

INDEBTEDNESS OF DIRECTORS AND SENIOR OFFICERS
